FINEST BUTTER TASTE
**Baker's
friend**

The delicious butter alternative that's healthier and cheaper, but tastes just as good!

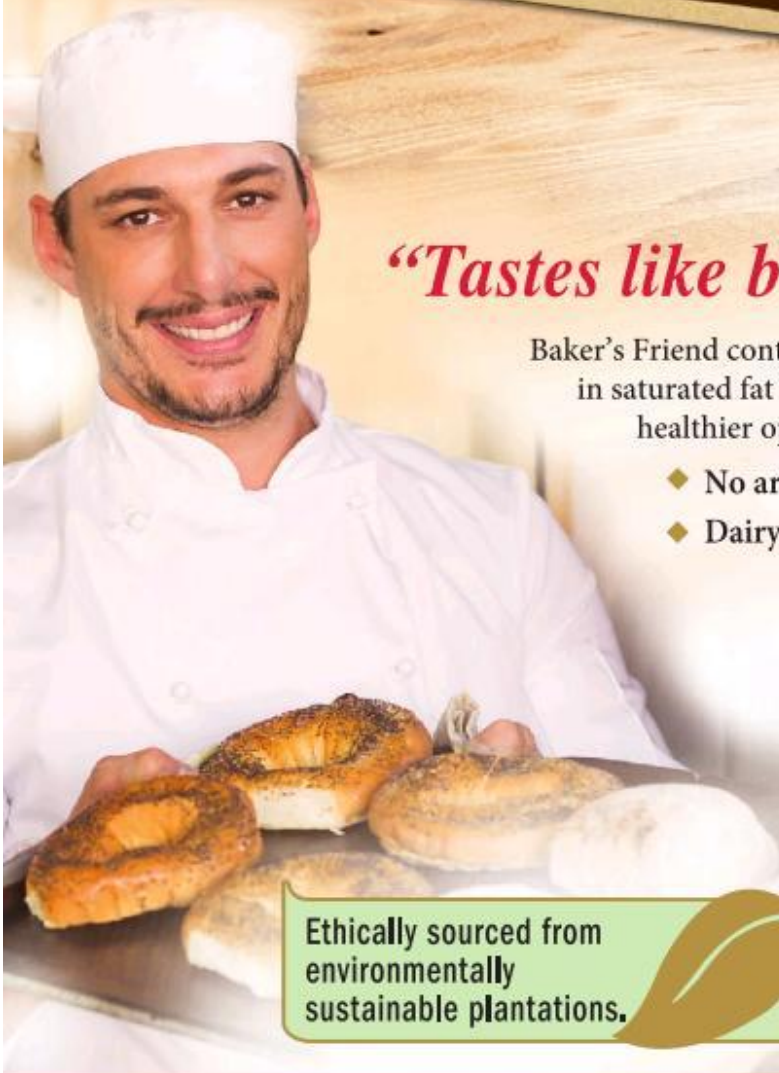

- ◆ Up to half the price of butter!
- ◆ No need to refrigerate!
- ◆ Not hydrogenated, no trans fats
- ◆ Rich in natural antioxidant Vitamin E
- ◆ Delicious buttery taste
- ◆ Gives a softer, lighter texture
- ◆ Makes food look tasty and appetising
- ◆ Perfect in sweet or savoury pastry/dough

Tastes like butter, bakes like butter!

Great for all types of baking including...

Bread • Rolls • Buns • Pizza bases • Cakes •
Pies • Tarts • Biscuits • Cookies • Shortbread •
Muffins • Ethnic baked goods like Baklava

“Tastes like butter, bakes like butter!”

Baker's Friend contains no trans fats or cholesterol and is lower in saturated fat than butter. It's high in Vitamin E and is a healthier option than typical bakery shortenings.

- ◆ No artificial additives or preservatives
- ◆ Dairy free and suitable for vegetarians

Ethically sourced from environmentally sustainable plantations.
