

## Food Loss and Waste (FLW) Policy

CAROTINO Sdn Bhd is committed to minimizing the food loss and waste generation throughout our operations. We will actively work to identify, measure, and reduce food loss by adopting sustainable practices that contribute to environmental stewardship, economic efficiency, and social responsibility. We are committed to the food safety and security applicable laws, regulations and standards, including FSSC 22000 Version 6 and will strive to continuously improve our processes to achieve these goals.
