

MSPO POLICY

CAROTINO SDN BHD is committed to implement the principles and requirements of the Malaysian Sustainable Palm Oil (MSPO) standard. We aim to achieve full-scale production of sustainable palm oil and oleochemical products by fostering collaboration with stakeholders and driving continuous improvement. Our operations prioritize environmental responsibility, social equity, economic viability and strict compliance with all applicable statutory regulations.

The Policy is in line with our company policies:

Code of Conduct

Environment Policy

Occupational Safety & Health Policy

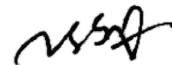

Human Rights Policy

Energy Management Policy

Social Compliance Policy

Food Loss and Waste Policy
