

Safety, Health and Environment Policy

CAROTINO SDN BHD fully recognizes that a high standard of safety, health & environmental practices are essential for the welfare and morale of all stakeholders. In order to ensure safety and health of all concerned and preservation of the environment, Carotino is committed:

- To prevent occupational injury, ill health and adverse environmental impact through establishment of safe and environmentally responsible facilities, practices and operational systems
- To provide necessary resources including information through safety, health & environmental educational programs, suitable equipment and relevant personal protective systems
- To continuously improve safety, health & environmental practices within our premises
- To place safety of employees and public ahead of the company's commercial interests
- To comply with Occupational Safety & Health Act (OSHA) 1994, Factory & Machinery Act (FMA) 1967, Environmental Quality Act (EQA) 1974 and other relevant rules & regulations
